**Project Certification as required by the American Recovery and Reinvestment Act of 2009**

The Director of the Idaho Department of Environmental Quality hereby certifies that the loan application for the City of Greenleaf wastewater collection system, CWSRF Loan #WW1012, has received full review and vetting required by law and the Department accepts full responsibility that the loan to the City of Greenleaf is an appropriate use of taxpayer funds pursuant to the American Recovery and Reinvestment Act (ARRA).

The loan to the City of Greenleaf is for replacement of aging individual septic systems. In addition, the existing wastewater collection system will be rehabilitated or replaced by a new city-wide central collection system. The project is estimated to cost a total of \$4,251,000, of which \$4,251,000 of ARRA funds will be used.
